

These fees are for our regular services for enrolled and casual (urgent care) patients, and they may be subject to change. Extra fees may apply for some services. Discounts may apply for holders of a Community Services Card.

We reserve the right to charge a consult fee if a patient does not attend a booked appointment.

Eligibility for publicly funded health and disability services in New Zealand must be proved by presentation of a passport, visa or other valid document. We will need to charge the non-resident rate until a patient is able to provide proof of eligibility.

PLEASE ASK A MEMBER OF STAFF FOR CONFIRMATION OF FEES INVOLVED IN YOUR VISIT *BEFORE* YOU ACCEPT OUR SERVICES.
